May is here, the year is nearly half gone...

Dusty and Carolyn attended a Supercharged Storytime workshop on May 9th and were able to gather a great deal of information for future storytime development.

Melany has been helping Carolyn with weeding the JF collection, as well as shifting and straightening in the basement.

Vicki and Carolyn have been planning the Summer Reading Program, which will kick-off June 18th. The theme is Ready, Set, Read. They are focusing on local adventures, which tie into adventure books. They have planned several field trips for the kids throughout the summer.

We will kick-off the Adult Summer Reading Program with a concert from the Walla Walla Chamber Orchestra on June 3rd at 4pm. This is a family event, so all ages are encouraged to attend.

The Friends of the Library received a \$250 donation from Homestreet Bank to be used for Summer Reading Program, as well as a donation of 50 boxes of cookies from the Girl Scouts to be used for library programming.

Howard and Dusty are upgrading our server and backup hard drives over the next few weeks.

Lorna and Rachel have worked on weeding and shifting the adult collection.

Lorna sorted our Book Kits and created a page for our website to let patrons know that we have them. You can view them here:
